

What: Making Tracks for Bobcats!

All students Grades K-5 will be completing a 1-mile fun walk, raising money to support additional learning experiences at Barrington including guest speakers, field trips, amazing hands-on experiences and other external programming for students. We are kindly asking for your support to make this year's event a huge success!

When & Where: Friday, October 4 at the Jones Middle School Track

Students will be assigned a walk time based upon grade and teacher. Participants will enjoy school spirit, music, fun with their classmates and a sweet treat during their time slot. Classes are still scheduled to walk throughout the day and parents are encouraged to come support their student(s) during their assigned time slot!

NOTE: This event will take place rain or shine, unless it is unsafe or miserable outside. A rain plan will be in place, which unfortunately does not allow for parent spectators.

Extra Fun

Each week the classes will participate in activities to help get them excited about the upcoming event and encourage school spirit. The top fundraising classroom will enjoy a class pizza and ice cream party to celebrate their efforts, courtesy of the Barrington PTO.

Details: How can you help?

If each student raises or donates \$50, we can surpass the Barrington goal of \$30,000! However, we are grateful for any level of financial support you are willing to offer Barrington students. Donations in excess of \$50 are welcomed, but there is no required donation.

Sponsorship Opportunities

Each year we are fortunate to have several families and local businesses support our events. We kindly ask that if you or someone you know owns a small business or is in a position to sponsor the event, please reach out to Maria Piersall at taskerme@hotmail.com or Katie Wilkinson at katiekelso21@gmail.com for more details. Additional details to come.

THE DEADLINE FOR DONATIONS IS MONDAY, OCTOBER 7, 2024. THANK YOU!

The Barrington PTO is a tax-exempt 501(c)3 responsible for promoting the well-being and education of the Barrington Elementary School students, fostering communication by and among parents, students, school personnel and residents of Upper Arlington, Ohio. Through the support of the Barrington Parent Teacher Organization (PTO), funds will be provided so that all students can have equitable access to the same opportunities.
